Ayer's Ague Cure,

Ague, Periodical Headsche, or Billous Hendacke, and Ellions Fevers, indeed for the whole class of Diseases origin aling in billary derangement can by the Malaria of minematic countries.
FEVER AND AGUE IS NOT atic poison. A great variety of

ons districts among which head near the ear, which was a very severe out. The upper lip was very badly vere cut. The upper lip was very badly cut.

There were several other bruises on the body which we did not pay particular attention to. No evidence could be existed before the coroner's jury in regard to the authors of this most cowardly and bloody was when discovered in a nide state, two torn skirts being found near the body, as if they when she was sick. There certainly was had been for two days, told Dr. Crawford that Dr. Miller had been attending the woman, but could not do so longer as he body within the mother of two children, as we as affined of arrest.

Mrs. Williams was a married woman tenther of two children, as we have stated above, the body was when discovered in a nide state, two torn skirts being found near the body, as if they when she was sick. There certainly was had been for two days, told Dr. Crawford that Dr. Miller had been attending the woman, but could not do so longer as he body within the combistion of the control of bods and shoes, at No. 129 Market treet, second door west of Fourth. They sold the desease. Can this be said of any other cure for bods and shoes, at No. 129 Market treet, second door west of Fourth. They sold the desease. Can this be said of all the complaint carnot be treet, second door west of Fourth. They sold to be a certain princes.

Mrs. Williams was a married woman and the mother of two children, as we have stated above, the body was when discovered in a nide state, two torn shirts being found near the body, as if they when she was sick. There certainly was shown of and thrown down. The a child born. Dr. Henry Miller swears it.

As we have stated above, the body was she will be sweared it innes to get the date as seal that and set of this, and its importance to these affined with the complaint carnot be treet, second do the desease. Can this be said of a first time of this, and its importance to these affined with the complaint carnot be treet, second do the desease. Can this be said of a f

trict integrity and universally beloved.

In his death we feel that we have lost a dear friend whose place cannot be easily filled. Calmly and peacefully he has gone to his rest. His funeral will take place on Tuesday morning at 10 o'clock.

ompliance with the late order of St. Charles Restaurant, he War Department. There are nearly a lossen companies in the State who are endeavoring to get their roads at work, repairing their tracks, building bridges, and friends that he had just released from New York and be now receiving a full supporting their tracks, building bridges, and friends that he had just released from New Yorks, such supporting their tracks, building bridges, and friends that he had just released from New Yorks, such supporting their tracks, building bridges, and friends that he had just released from New Yorks, such supporting their tracks, building bridges, and friends that he had just released from New Yorks, such supporting their tracks, building bridges, and friends that he had just released from New Yorks, such supporting their tracks, building bridges, and friends that he had just released from New Yorks, such supporting their tracks, building bridges, and friends that he had just released from New Yorks, such supporting their tracks, building bridges, and friends that he had just released from New Yorks, such supporting their tracks, building bridges, and friends that he had just released from New Yorks and friends that he had just released from New Yorks and the The Times' Washington special says one the boldest burglaries on record was the boldest burglaries on record was the prices.

MERES, CLOTHS and VESTINGS of the latest the boldest burglaries on record was the prices.

Re27 dexxw

of the boldest burglaries on record was perpetrated in Georgetown very early this morning. The office of the Adams Express company was entered by the back door, opened in a scientific manner by professional burglars, the door of the safe drilled into and blown off its hinges, and into a dozen pieces, the concussion ahatering three large front windows into a thousand pieces, waking the neighbors, but before the police got on the ground the burglars were off with their booty, \$4,000. The gas was left burning. The young man whose business it was to stop in the office was absent in the country.
